# ANMED FOUNDATION PROGRAMS & ASSISTANCE FUNDS

## Area of Greatest Need

Funds are used where they are needed most to deliver essential healthcare programs and services to meet the needs of our community.

## Cancer Care Assistance

Assists patients with the prevention and treatment of cancer, including mammograms and treatments at the AnMed Health Infusion Center.

## Cannon Memorial Hospital Fund

This fund helps patients and employees at AnMed Cannon with strategic priorities in Pickens. (Gifts to Cannon Memorial Hospital Foundation should be made directly to them at PO Box 188, Pickens, SC, 29671).

## Cardiovascular Care

This fund helps patients access to cardiovascular care and tools to manage heart health.

## Chaplain — Spiritual Care

Provides educational support and resources to our chaplains and Spiritual Care Services department.

## Employee Financial Assistance

Supports AnMed Health employees facing particularly hard times due to an emergency or crisis and is funded by employee contributions only.

## Home Health Fund

Providing financial support to meet the needs of patients in home health care.

## Mammogram

Sustains outreach to women in under-served communities who would not otherwise have access to mammography services.

## Medical Education Deans Fund

Provides scholarships to MUSC students at AnMed Health Clinical Campus and supports costs associated with simulation training.

## Medical Group

To provide the Medical Group funds that address the needs at the primary care level for patients and staff.

## Patient Assistance (*Robert B. Claytor*)

Purchases prescriptions or medical supplies for low-income patients at discharge who cannot afford to pay for the essential items needed for their healing and recovery.

## Pediatric Therapy Works

Provides therapy, assistive equipment and customized programs to help hundreds of children with developmental delays and disorders.

## Nursing Excellence Fund (*Peggy G. Deane*)

Offers financial support for employees to advance their education and training in nursing, nursing education and nursing administration.

## Safe Kids

Supports the program that creates awareness and educates parents and caregivers on how to prevent unintentional injuries – the leading cause of death among children and teens from 1 to 19 years old.

## Other

Language Services & Collaborative Care Fund, Camp Asthmania Fund, Scales Drive Fund, K9 Fund

# UNITED WAY PROGRAMS & ASSISTANCE FUNDS

When you **give**, you become the connector of resources and action. We transform your generosity into **lasting impact** through collaboration with our Community Impact Partners to address four **Impact Areas**. Together, we ensure every donation supports effective, sustainable solutions aligned with vision: uniting people, impacting lives, and improving Anderson County because United is the Way our community thrives.

## Area of Greatest Need

Funds are used where they are needed the most with in all 4 Impact Areas to deliver essential programs and services to meet the needs of our community.

## Healthy Communities: Improving health and wellbeing for all.

Ex: Minority Health Coalition to partner with AnMed, health care workers, other community organizations and agencies to help bridge the gap in health disparities in our minority population.

## Financial Security: Creating a stronger financial future for every generation.

Ex: The United Way Financial Stability Center at AIM. This is a hub for services that support community financial wellness. Monthly classes and workshops are FREE to all.

## Youth Opportunity: Helping young people realize their full potential

Ex: Childhood hunger: Weekend SnackPack and Snack Pantry. These programs provide children in need with meals to take home on Fridays. They return to school on Monday, well-fed and ready to learn.

## Community Resiliency: Addressing urgent needs today for a better tomorrow.

Ex: United Way is the backbone of a long-term recovery operation in Anderson County formed to support projects focused on meeting the needs of and providing innovative solutions to individual household and community recovery and resilience
